

## **KELLER GROUND ENGINEERING PTY LIMITED**

### **OH&S POLICY**

Keller Ground Engineering places paramount importance to providing a safe and healthy environment in which it carries out its business.

The objective of Keller Ground Engineering's Occupational Health and Safety Policy is to make health and safety an integral part of Keller Ground Engineering Pty Ltd's culture and involve our employees in the decision making process through regular communication, consultation and training, and thereby

**Strive for zero harm to personnel and plant, and achieve zero lost time injuries.**

This is targeted by identifying and controlling all potential hazards in the workplace through hazard identification and risk analysis and ensuring that all employees take personal responsibility for the safety of their fellow employees, the public and themselves.

The implementation of the Policy is the responsibility of all employees with the support, direction and commitment of Senior Management.

A handwritten signature in black ink, appearing to read "E. Friedlaender", with a horizontal line underneath the name.
